# ABOUT METROPOLITAN WEST

Metropolitan West is a full-service company, combining top of the line window films with expert installation and creative solutions for educational spaces.

Metropolitan West is a nationally recognized and award-winning full-service custom glass film and writable wall graphics company. For over 25 years we've been creating beautiful environments, combining quality products with innovative solutions for even the most complex projects.

Since 1992, we have worked and consulted with the nation's leading architects, interior designers, general contractors, facility directors, administrators, educators, and principals. Together we have created breathtaking spaces and solved energy and privacy concerns through our creative, consultative and professional services for all wall covering and glass film needs.

**Custom printed graphic, magnetic and glass film solutions, promoting branding, collaboration, teamwork & productivity**

# THE METWEST ADVANTAGE

Some companies only do one thing right. That's not Metropolitan West. Our in-house experts excel in project management, graphic design, digital rendering, printing, installation and more.

Whether you are interested in glass film or custom wall coverings, MetWest can take your project from inception to completion. We start with your design or idea. Local crews take precise measurements in the fields.

Back at the office, our design team renders the graphics to fit your space. We'll send an elevation showing the finished look of the proposed design and a sample of the material.

After printing and quality checks, the film will be sent to your location or installed by our local installation team. With our full-service capabilities, we are the single source for your film and graphics needs.

***"In a nutshell, we do not require babysitting or micromanaging. What we do is get the job done professionally and affordably."***

***- Kelly Taylor, CEO***

# METWEST FOR SCHOOLS

The environment students learn in has a huge effect on their learning rates. Collaboration, creativity, and safety are all key when it comes to designing educational spaces. MetWest prides ourselves on providing top of the line products to help schools create the best learning spaces possible, and give students the advantages they deserve.

# PEERHATCH FOR SCHOOLS

**Creativity, Collaboration,  
Convenience & Commitment**

## MetWest is Your Single Source for peerhatch Products

As part of MetWest's commitment to providing schools with the best tools possible, we are proud to provide peerhatch products – a simple way to organize your ideas and evoke classroom collaboration.

Patented technology means you can have your brand and a functional workspace too by combining graphics with dry erase and magnetic capabilities. peerhatch write walls can be used in classrooms, libraries, hallways, teachers' lounges, auditoriums, locker rooms, and administration offices – just to name a few.

# CUSTOM DESIGN

If your school district doesn't have a graphic designer, no problem. Our design team can take your school logo, mascot, colors and ideas and turn it into a final solution perfect for your needs. We'll work with you to create custom-printed films to meet your requirements.

## Benefits of Custom Design

# 1

### *Stunning Art*

Your idea is turned into a larger than life decorative work of art that both awes and inspires.

# 2

### *School Branding*

With custom, it's easy to incorporate your logo, mascot or other branding elements.

# 3

### *Professional Support*

An in-house team of professional designers assists you every step of the way.

# 4

### *Match Existing Interior*

Color and pattern matching makes it easy to match school colors existing design elements.

# 5

### *Fit Your Space*

Standard sizes rarely match client needs exactly. Custom printing means you get the exact size for your space.

# PEERHATCH DRY ERASE WALL COVERINGS

## What is peerhatch?

peerhatch is a non-ghosting dry erase wall covering. It's an alternative to whiteboards and dry erase paints which can be easily customized with any image.

## Non-Ghosting

No more smudges or impossible to get rid of dry erase. Leave writing up over the summer and it will still wipe clean.

## Customizable

With our patented infused graphic printing process, we can print any image, color or branding.

## Available as Magnetic

All the non-ghosting dry erase capabilities of our original product, with the additional quality of being magnetic.

# CUSTOM MURAL WALL COVERINGS

## Any Color. Any Image. Any Size.

Wall coverings are a great way to add energy and personality to any space. Inspire with motivational quotes or celebrate your school with supergraphics of your mascot. Wall coverings are a great tool to create a fun and motivating environment for students.

# VINYL WALL GRAPHICS

## Add A Splash of Color

If a full wall covering is too much for the space, vinyl wall graphics are a great choice for adding color, text, and imagery where you need it.

## Mascots, Motivation, & More

One popular use of vinyl graphics is school logos and branding to build school spirit and unity. Larger than life motivational quotes can be great tool for creating an encouraging atmosphere for students. The possibilities are endless.

# CUSTOM DECORATIVE GLASS FILM

## Stunning Final Look

Turn your standard windows and glass walls into exciting works of art.

## Added Branding

Decorative film is a great opportunity to add school logos and foster school spirit.

## Affordable

Installing or replacing decorative film is far more cost-effective than replacing glass.

# DISTRACTION MARKERS

## Protect Your Classrooms, Staff & Students

Glass walls in any space can create a beautiful interior, but it's also an accident waiting to happen. In the age of smartphones, injuries from accidentally colliding with a glass wall are especially common. Distraction markers are an easy solution to prevent these injuries.

## Why Choose Distraction Markers?

1

### Safety

Protect distracted students and teachers and help prevent potentially serious injuries

2

### Branding

Incorporate your logo or school colors to brand your educational space

3

### Decorative

From an etched glass effect, to custom solutions, the right distraction markers look beautiful

# SAFETY & SECURITY FILM

## Protect Your Property

We provide a wide array of film options for earthquake retrofit as well as other safety needs. Moreover, to complement the advantages of safety and security film, MetWest has almost two decades of installation experience.

## Benefits

- Delays any attempted intrusion, buying time for help to arrive
- Reduces flying glass shards
- Costs up to 70% less than tempered glass
- Nearly invisible to the eye
- First defense against rocks, bricks and other projectiles

Dealer

# ANTI-GRAFFITI FILM

## Guard Against Vandalism

Whether applied to windows, glass or even bathroom mirrors and stalls, anti-graffiti window film provides a strong first line of defense against vandalism. It's easy to apply, cost effective, and easy to remove after vandalism.

## Benefits

- Protects against paint, gouging, scratching and even acid etching
- Nearly invisible to the eye
- Replace at a fraction of the cost of new glass
- Quick turnaround time – keep your school graffiti free

# SOLAR CONTROL FILM

## Create A Comfortable Environment

MetWest is a 3M Authorized Platinum Dealer of commercial window film, providing clients with the highest quality solar control films along with top customer service and expert installation. Our large variety of film includes color, tint, and transparency options to meet your design needs.

## Benefits of Solar Control Film

1

### *Reduce Heat*

Reject the sun's heat and keep your school cool and pleasant all year round

2

### *Lower Energy Costs*

Save up to 30% in cooling costs by lowering building temperatures by several degrees with solar film

3

### *Reduce Glare*

Let in natural sunlight while reducing harsh glare on computer monitors

4

### *Earn LEED Credits*

Improve your building's energy efficiency while earning LEED credits

# DI-NOC ARCHITECTURAL FINISHES

## Update Furniture Without Costly Replacements

Di-Noc architectural films mimic woods, metals, and more in look and texture. The adhesive film is easily applied over most surfaces, they're an easy way to update old desks and other surfaces without costly replacements. The final look resembles high end natural materials without the expense of replacing the original furniture.

# WHERE CAN YOU USE METWEST PRODUCTS?

We understand that creating an optimal educational space means juggling a lot of different needs. From helping keep restroom mirrors graffiti free to creating larger than life mascot graphics for the auditorium, we have the products and skills to help you in creating an incredible educational facility.
